7. ABOUT US

Wongeka Monageng

Wongeka Monageng is a seasoned recruitment consultant with over 10 years' experience in recruitment. Wongeka started her career in recruitment as a Receptionist at the Ridout Group and worked her way up until she became a director in the company, where she gained extensive experience in managing employees and running the operations of the company. Wongeka has a Diploma in Business Administration. Furthermore, she has worked as a generalist, and has placed candidates across all levels, ranging from executives, mid-level and clerical positions.

Cynthia Savanhu

Cynthia is an articulate individual who has solid experience as a recruiter. She completed her BCom (Economics and Management) and Honours Degree in Strategic Management (with Distinction) with Monash University. Starting her career as a researcher, where the core focus of the job was purely sourcing for the most suitable candidates with the correct skill set, she progressed to a full 360 Recruitment Cycle, where she became a Financial Recruitment Specialist. She is an enthusiastic, diligent professional, who has great interpersonal skills and a passion for the HR Field.
